You may need a visa for this trip if you are not a U.S. citizen or traveling under the Visa Waiver Program (VWP). Eligibility to the VWP is subject to conditions such as nationality and duration of your stay. Find more information at <http://travel.state.gov/>. In case of doubt, we recommend you contact appropriate authorities.

A valid Electronic System for Travel Authorization is now mandatory prior to boarding a carrier to travel by air or sea to the U.S under the VWP. Find more details about ESTA and apply online at <https://esta.cbp.dhs.gov/esta>

Please note that from April 1st 2016 all travelers entering the United States under the VWP must have a biometric chip style passport in addition to their ESTA, meaning those with an older style non-chip passport will be refused entry into the country.

IMPORTANT INFORMATION

Please note a printed version of this document may be required by authorities to access check-in areas and, if you are traveling under the Visa Waiver Program, as proof of onward or return travel. The information provided is correct at the time of sending. When you receive your travel document, please verify it immediately. If you have any questions, contact your Service Center.

CHECK IN AND SECURITY INFORMATION

Please allow sufficient time for check-in and security procedures – minimum times vary according to suppliers, airports, train stations. Recommended times can be found on supplier website or via CWT if required.

International travelers entering or leaving the U.K., and inbound international travelers to Canada and the U.S., who are carrying electronic or battery-powered devices – including mobile telephones, tablets, e-books, laptops, etc. – may be required to turn on their device in front of security teams and/or demonstrate the item's functionality. If unable to turn on your device, you may be denied boarding.
